Dear Colonel Ryscavage:

It has come to my attention that the reconnaissance study documents for the proposed North Carolina International Terminal will soon be finalized and sent to the South Atlantic Division for review. A group in my district, NoPort Southport, has requested the opportunity to review these documents and submit comments on the findings. Pursuant to all applicable rules and regulations, I respectfully request that the reconnaissance study documents be made public for any interested stakeholders to review.

Thank you for your attention to this matter, and I look forward to hearing from you.

Sincerely,

Mike McIntyre
Member of Congress
